COMMISSION

Re: Response to ComScape's June 15, 2006 Letter  
Case No. 2006-00230, dated June 21, 2006

Dear Mr. Selent,

We received a copy of your filing with The Public Service Commission of Commonwealth of Kentucky on behalf of West Kentucky Rural Telephone Cooperative Corporation, Inc. ("West Kentucky"), dated June 21, 2006.

As we filed with The Public Service Commission on June 15, 2006, ComScape Telecommunications, Inc. ("ComScape") has a PCS spectrum license and a certification to provide telecommunications services in the Commonwealth of Kentucky; but currently it is not active in its Kentucky markets. Since ComScape is not active and has no network and customers in Kentucky, it is not transmitting any traffic to West Kentucky directly from its network. Hence, ComScape requests not to be a party to any arbitration leading to an Interconnection Agreement with West Kentucky at this time. Based on ComScape's future plans, it is understood that it will need to enter into such an agreement before launching its Kentucky markets.

Based on the above and the filing with the Commission on June 15, 2006, ComScape considers an affidavit is unnecessary to affect the cancellation of any arbitration or other actions that might be contemplated with ComScape at this time. Intent here is to eliminate any unnecessary expenditures and paper work.

We would like to assume that this and our request with the Commission would suffice your requirements.

Thank you. \_

Sincerely,

Bhogin M. Modi, Vice President

CC: Ms. Amy Dougherty, Public Service Commission
